

ARISTARCHOS
SWAN 131

With a length overall of 40 meters
and 989 square meters of sail area,
the sailing experience of Aristarchos is
overwhelming.

ARISTARCHOS
SWAN 131

Aristarchos, the largest yacht ever built by Nautor's Swan, is considered the ultimate ocean-going, performance, luxury sailing yacht of unrivalled quality.

ARISTARCHOS
SWAN 131

Traditional values of seaworthy construction, practical
yet luxurious interiors and undistorted hull lines
are what make Aristarchos a true beauty.

The swimming platform swings to reveal the sports equipment for fitness and water toys for sheer fun, and to have easy access to and from the sea.

The deck table opens to comfortably seat your guests and enjoy breakfast with a panoramic view, under the shade of the bimini or the ownings that wrap over the length of the boom.

The raised salon allows for the outdoor light and view to shine through. The dark walnut floor and warm brown leather sofas combine to create a soothing ambience in the interior of Aristarchos.

Baccarat crystalware, hand painted Bernardaud china, Christofle silverware and starched napery are the theme of the formal dining area, where the attentive crew will serve your choice of menu from the adjacent galley.

ARISTARCHOS
SWAN 131

On the lower deck, the full-beam master cabin offers two double beds, en-suite bathroom, dressing table, desk and his and hers walk-in wardrobes. Like all cabins, satellite TV, DVD and hi-fi audio are just a button away.

ARISTARCHOS
SWAN 131

The double cabin on the port side has a day couch which turns into an extra bed. The spacious twin and double cabins offer en-suite facilities, satellite TV, DVD and hi-fi audio.
